

SH218B II

Horn-loaded Dual 18-inch Super-heavy Subwoofer

Description

SH High-Pressure Horn Series Syrincs Hi entertainment system is a full-range horn-loaded design for entertainment sound reinforcement. Its horn-loaded structure delivers smoother sound wave output, explosive dynamic energy, and extended projection distance. The Syrincs Hi system features crisp, transparent, and responsive high frequencies, while its mid-low frequencies boast millisecond-level response speed that captures the intensity and rhythm of music. Its bass units demonstrate exceptional low-frequency performance, delivering high dynamic range, powerful output, low distortion, and controllable directivity – ensuring authentic, distinguishable audio reproduction. Even amidst thunderous music, conversations remain crystal clear.

Features

- 2-wayfullrange passive speakerfeature
- Computer simulated design 2-way horn fullrange speake

SH218B II

Horn-loaded Dual 18-inch Super-heavy Subwoofer

Technical specifications

Frequency Response(-3db)	48Hz-500Hz
Rated Power(RMS)	1000W
Max SPL @ 1m	133dB/139dB (PEAK)
Sensitivity 1W @ 1m	103 dB
Nominal Impedance (Ohm)	4 Ω

Physical specifications

Box	Horn-loaded Dual 18-inch Super-heavy Subwoofer
Woofer	2 x 18 inch low-frequency unit
Cabinet/Case Material	18mm Plywood White polyimide spray
Connector	2 x NL4
Dimensions(W x D x H)	1100 × 860 × 550mm
Package Dimensions(W x D x H):	1220 × 980 × 680mm
Net weight	121.5kg
Gross weight	132.5kg
